RE: EXEMPLARY OVER 3 YEARS HERTZ MEMBER NUMBER 54877466

April 1, 2023

Dear Hertz Management:

I write this letter regarding unwarranted harassment. Please see the above links and the below document with exhibits. I spoke to several agents on the phone on March 31, 2023, because I was sick and could not get to the Hertz Stillwell Avenue to get a new contract. One agent argued with me with telling me the time of closing, repeatedly saying, they closed at 5 pm and it was 10 to 5. I told the agent that they closed at 6 pm and despite such, I was unable to make it because I was sick. I was told that I could not get an extension for one day although I was sick, because some one changed my contract.

Foremost, I have rented cars with Hertz for over 3 years. It has been pattern and practice, that the monthly rate of rentals, for the last 3 years, has always been cheaper than the combined weekly rate. Out of no where I am being told that this rule changed just for me and the monthly rate is more than the combined weekly rate. In addition to such, I was told that for me, one month is 28 days and not 30 or 31 days. Someone is using phone agents in an organized fraud manner to harass me.

I seek to be treated based on the written policy on combined weekly rates and the monthly rate and dates. Consequently, I need to know what is the time span for the monthly rate, should I consider such. Also, one agent said I would be billed \$39.80 for the extra day. I said no problem. I called the Bronx Stillwell Hertz to say that I would bring the car in Saturday April 1, 2023 because I was sick. I spoke to Courtney, a Hertz agent that I worked with from the Yonkers Hertz. Please note I left the Yonkers Hertz when the management changed because Courtney and I have had a different type of rapport. I have done everything possible to avoid problems with him. Despite such, he was miraculously transferred to the Bronx Hertz for unknown reasons and every time I turn, I am fighting some type of fraudulent billing, like the

gas tank recordings, and he is involved. I believe he is a good worker for other people, but I believe, he has been sent to stalk me and cause me problems.

Consequently, to avoid me feeling stalked and to avoid any further type of race pitting, I do not want any dealings with him. I have not had any problems with the Bronx or Yonkers management and I believe he has been sent from top interference in Hertz to stalk and harass me, the same TOP/DOWN CRIMES exhibited in exhibit 3.

I feel this way because March 31, 2023 when I called the Bronx Stillwell Hertz, Courtney answered the phone. I explained to him that I was sick and not able to get the car in by 6pm and I called Hertz extension and was quoted a close out bill of \$974.00 plus \$39.80 for the oneday extension. Courtney said I was going to be billed \$290.00 more for one day for being sick and being unable to get the car in March 31, 2023 by 6pm. I told Courtney this was not a nice way to treat a faithful good-standing customer who due to life circumstances beyond my control, could not make it in. Above all, I was sick and could not even be sick in peace because of this alleged non-consented, unconscionable contracting and no sense escalated billing. This was inflicted to cause unwarranted problems with Hertz and that is exactly what Courtney was sent in to do. Again, I was sick and needed a one day extension and he quoted me a malicious escalated price of \$290.00, which is over the contracted weekly rate of \$190.00.

I called all over and got sicker. Finally, I spoke to billing and billing made it very clear that such pricing was not fair and that the only entity that regulates and controls billing is the facility's management. To this end, to avoid problems, just like I ran from the Yonkers Hertz, please remove Courtney from any dealings I may have with the Hertz in the Bronx. I believe he has been sent to the Bronx Hertz to harass me on behalf of this 81 year old criminal senile attorney stalking me for years and I do not want him to use Courtney, based on his race to harass me and embarrass people of color, by showing his wilfulness to participate in this well documented and deadly conspiracy against rights. I am a crime victim and very clear who is setting me up, wherever I go for unwarranted problems, to the point that I can not even get sick without being further victimized. Please read and see some of the crimes, this criminal insane lawyer has inflicted on me and particularly people of color. Please read my most recent criminal report.

Everywhere I go, I have to explain unwarranted inflicted organized fraud because this psychopath uses people to inflict his deadly crimes. I do not want Courtney or anyone else to get caught up in this, because this man is trying to have me killed and will use anybody. I do not want to have to worry about the safety of the car because he is using Courtney's position in Hertz to stalk me, to inflict repeated unwarranted problems.

Courtney is a good worker but is being used. To this end, for the safety of all, please remove him from working with me and please make sure all cars rented to me are safe.

I am an over 3 year faithful customer, who uses little mileage, takes pride in the care of the car, and brings cars in immaculate condition. I have two goodstanding court documented driver's licenses and this sick attorney has paid people in DMV to try to sabotage my documented goodstanding driver records. I have been fighting this organized fraud for over 13 years because he wants the police to be enjoined in his murder by proxy programming. But God! All I can do is keep documenting the crimes and keep fighting and that is what I am doing. Every Governor in this nation has received the above link, so the world is watching this killer. I urge Hertz management to not let this company be further involved in Regional Killer C. Boyden Gray's criminal use of HERTZ for his criminally insane assault on the human race, with emphasis on people of color as exemplified in Exhibit 3.

Please do not let him send in set up cars for me or anybody else, and use local people's name to get the blame for crimes he organized. To this end, please confirm the billing of \$974.00 for the 4 weeks at \$190.00 week, and the additional charge for one day, at \$39.80. I agree to closing this bill out at \$1,014.00.

Finally, I am attaching a new reservation made using the points I earned. I have attached 3 exhibits. Please let me know if further information is needed. Thank you.
